

VIDYADAAN

Department Of Civil Engineering

The objective of VIDYADAAN is to support under privileged with primary education.

SHORT TERM GOALS :

- * To establish contact with M.E.O Madhurawada.
- * To conduct the survey of schools in Madhurawada.
- * Identifying literacy levels of the students at primary level education in the under developed government schools.
- * To provide scholarship for a student who is needy in our college.

LONG TERM GOALS :

- * Maintaining ideas hub for publishing the innovative ideas of the students of GVPCOE.
- * To develop contact with the industries in which education is the main role in their CSR activities.
- * To conduct research and contribute towards impactful publication of VIDYADAAN.

We are all reluctant to accept donations and we ensure you that we will create awareness who attend our fund raising events about the way we function and transparency in the utilisation of funds.
